

Classic and Clubman 2022
Race 3 - 500cc ½ litre Thunderbolts. 9th May 2022

Five-minute heat, single lane.

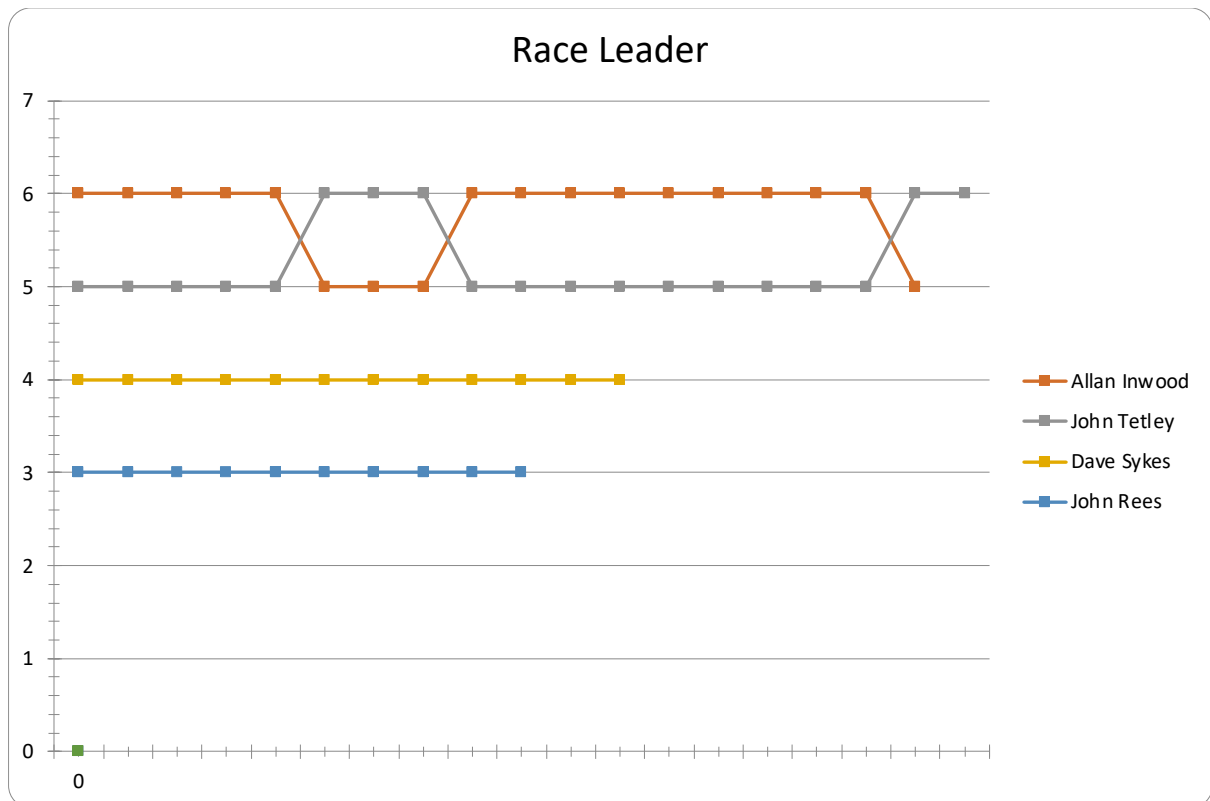

The sheds of Surbiton were once again swept clean as their occupants were loaded onto trailers to gather at Crystal Palace for a 500cc support race.

Lane was drawn by lot.

Mr Inwood in his light blue Cooper drew blue lane and dreamed of victory, Mr Tetley in a similar mid-blue machine drew green lane, Mr Rees using an Austin 7 special with red and white checked body work drew yellow lane, Finally Mr Sykes with the Dark green Kieft drew the red lane.

The little cars cantered away from the line the two Coopers challenging each other. The Kieft had to pit to fix a slipping drive shaft and Mr Rees pushed on with the diminutive 7.

Dreams were not to be and a little slip up saw Mr Tetley take the win from Mr Inwood.
