Kinrara, final round 2022.

Consternation in the paddock as the Tetley conglomerate unloaded their red and gold AC Cobra. This car had proved to be the car to beat on top speed able to run and hide down the straight.

Russ and Allan were both tied for the class win on 40 points going into this round with the Tetley machine a hairs breadth behind.

With six runners a round robin system was used with Russ skipping the first heat and then each runner missing one heat after they had run on Yellow Lane.

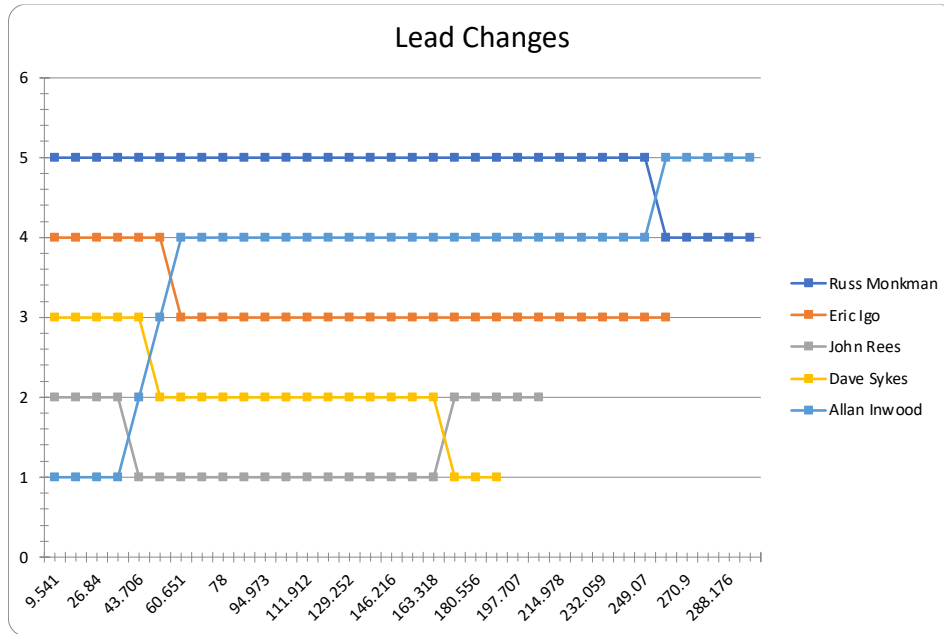

Heat One.

Battle joined and John T and Allan locked horns, but a slip for Allan saw him drop back and having to push back through the Eric Dave chase. Eric's Daytona Cobra hampered by black lane was just able to hold off Daves GTO on green. John R's Ferrari put up a good pace looking for scraps.

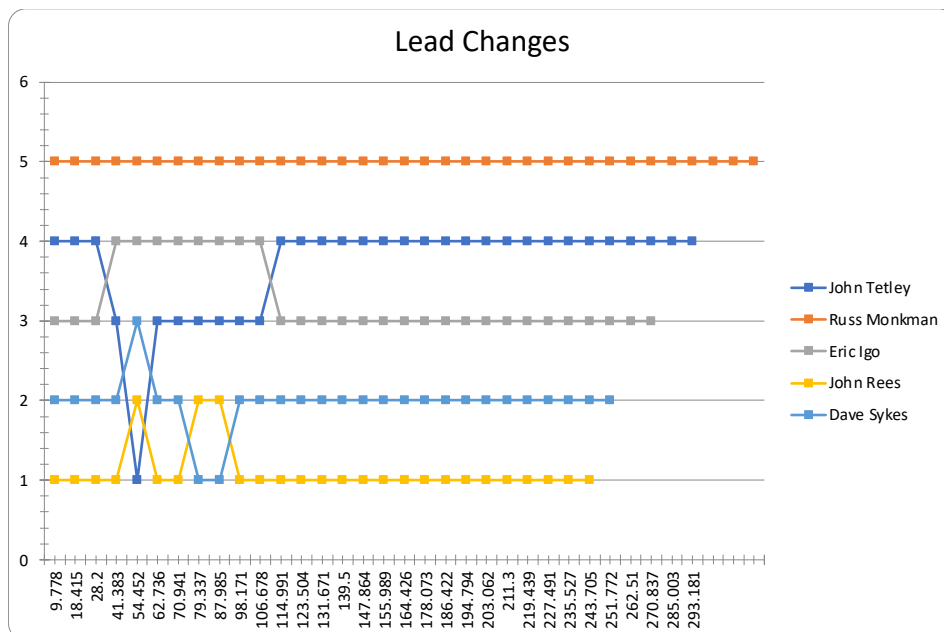

Heat Two.

John T drops out of this heat as Russ steps up. A bad start for Allan sees him fight through from the back to just pip Russ for heat two honours, Eric's and the Daytona is running well and Dave's Ferrari struggles to pace him. Around half distance it loses drive and Dave swaps to the silver E-Type leaving the way open for John Rees to take fourth.

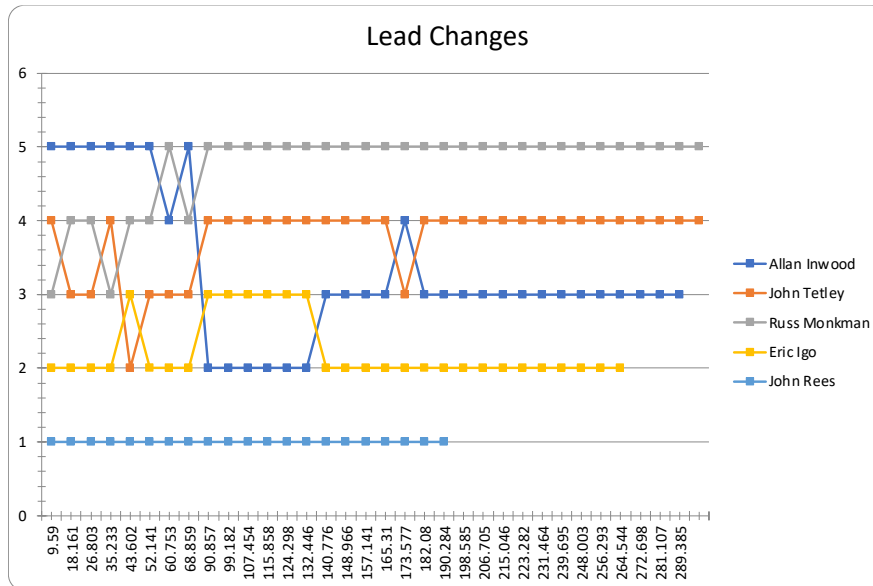

Heat Three.

Allan drops out of this heat. Russ has the measure of John T after a mistake drops him to the back. Eric fights John T, but eventually the speed tells, and the Daytona has to chase him home. John R and Dave, Ferrari versus E-Type are fighting now as John's car gets on the tail of the Jag gets past, but cannot hold the position and chases Dave Home.

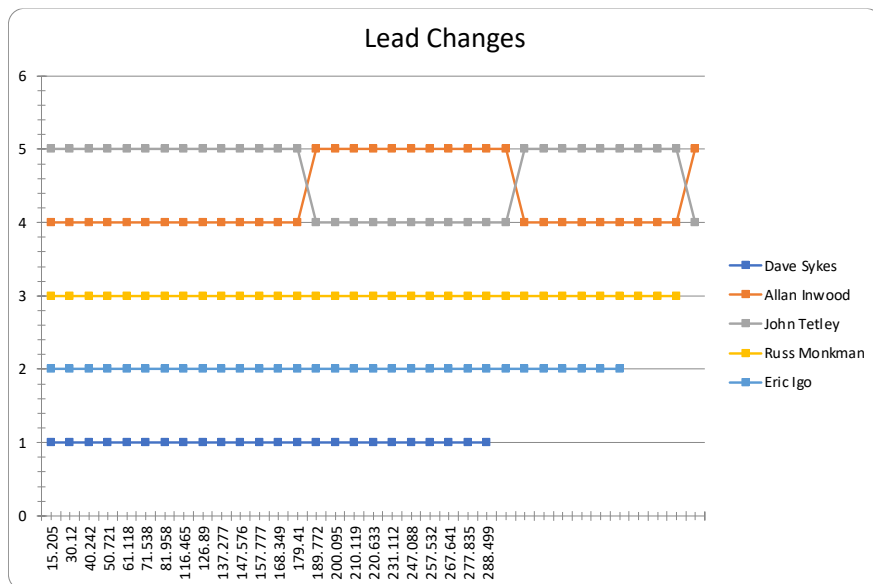

Heat Four.

Dave sits this one out the big three go head-to-head, Russ fights his way past John then Allan to take the Heat chased to the line by John T and a charging Allan. Eric sits in striking distance with John Rees following.

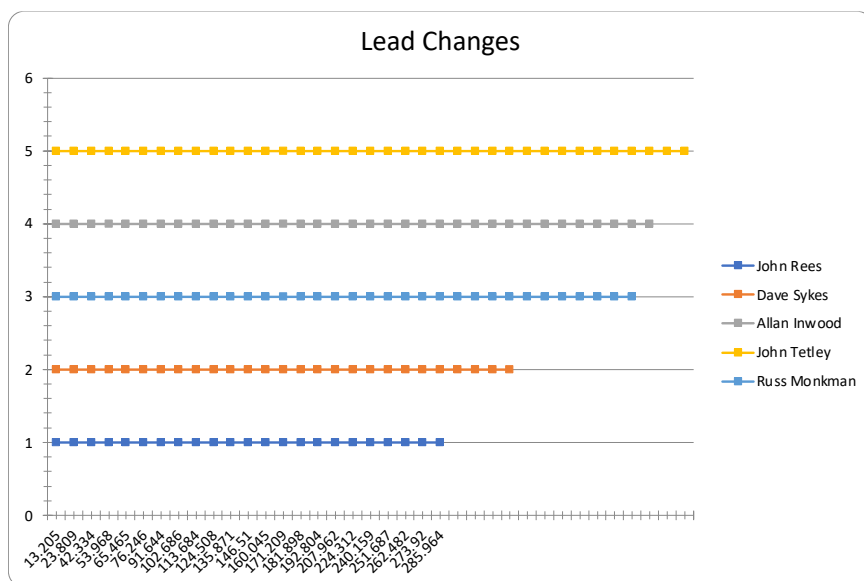

Heat Five.

John Rees sits out. Dave's Jag proves too narrow to run on black lane and cannot get close to Eric's Daytona. Russ chases the main battle between Allan and John T both swapping the lead and Allan piping John on the last lap for the Heat.

Heat Six.

Eric gets to sit back and enjoy this final run. John T on his lucky red lane takes no prisoners and runs start to finish in the lead, Allan follows him just ahead of Russ, Dave stays clear of John R running his pastel Blue TVR on Black.
