4	John Tetley	20.594	20.299	21.208
5	John Rees	16.622	18.796	12.65

Allans Renault strikes back against the mighty Darracq. Russ recovering to second following Shenanigans in heat one when most of the field had a mishap leaving a barn door open for the Vauxhall team to slip through into the lead. Johns Alfa closed relentlessly but just as he reached the tail of the Vauxhall an unexpected mishap saw him drop back. This gave Dave the chance to hold third overall. Johns usually dominant Alfa was not far behind in fourth ahead of John R's reluctant Fiat.
