

Classic and Clubman,
London GP Results. Houldsworth Park Circuit.

23rd June 2025.

5mins heats, Hot start and Round Robin.

Position	Driver	Laps

3	John Rees	146.013
4	Dave Sykes	136.895

On the Holdsworth park circuit all cars close on lap time but each with differences. John T again shows his master of all hand in pocket style. Russ chasing hard on his coat tails all little slips are punished. John Rees took a slower lap time less offs approach to keep me at bay. The night started so well the Brabham on Black was so fast and led first few heats but once it started to come off once my race went south.

Fastest Laps.
